QUICK REFERENCE GUIDE: OHIO MEDICAL MARIJUANA REGISTRY CARD

Updated 6-13-2019

Individuals registering with the Ohio Medical Marijuana Control Program as a patient or a caregiver will complete their registration by activating their Registry card within the online Patient & Caregiver Registry.

Once their card is activated, the registrant will bring it – along with the government-issued photo ID associated with their account – to a dispensary to purchase medical marijuana.

All Registry cards will look like this:

The following information is featured on a registrant's card:

- Registrant name
- Registrant date of birth
- Registration role (patient and/or caregiver)
- Registration issued date
- Registration expiration date
- Registry ID number

If you have any questions about your Registry card, please call the Ohio Medical Marijuana Toll-Free Helpline at 1-833-4OH-MMCP (1-833-464-6627), or contact the Board via email at MMCPRegistry@pharmacy.ohio.gov.
